Dear Sir:

The Advisory Action dated August 17, 2009 indicated that the Examiner was unable to consider or determine the validity of evidence presented in Applicants' response dated August 7, 2009 because only excerpted portions of the evidentiary references to Mansoor and Boas et al. were provided. Accordingly, per the Examiner's request, Applicants provide copies of the full chapters of the two non-publication references, *Nanotechnology for Cancer Therapy* and *Dendrimers in Medicine and Biotechnology* from which the excerpted portions provided in Applicants' response dated August 7, 2009 were obtained.

Should the Examiner require additional information regarding the evidentiary references provided herein, he is requested to call the undersigned at the telephone number indicated below.

Dated: 10/6/09

Respectfully submitted,
